

Questionnaire email – Existing participants and SWAT control group participants

Dear [insert name],

Thank you for agreeing to be part of the STADIA study.

The 6 month / 12 month (delete as appropriate) STADIA questionnaires are now available for you to complete by clicking on this link:

[Insert questionnaire link]

Thank you for taking the time to answer these questions. Whether or not [you have OR your child has] (delete as appropriate) been seen in CAMHS, we would like to know how you have been getting on. Capturing information on your experience is essential for the study and the information you provide is very important.

We do appreciate your ongoing help with contributing to this stage of the STADIA study. **ONLY AT 12 MONTHS:** As a token of our appreciation, we will send you a £20 voucher upon completion of the questionnaires to thank you for the time and effort you have contributed to the study.

If you have any problems with completing these questionnaires please do not hesitate to contact us.

ONLY IF APPLICABLE: Because your child OR parent/carer (delete as appropriate) is also participating in the STADIA study, please could you ask them to complete their questionnaires, available on this link:

[Insert questionnaire link]

ONLY AT 12 MONTHS: These are the final questionnaires to be completed. We are extremely grateful for all your help with the STADIA study over the past year.

Kind regards,
The STADIA Team

Voucher text – Existing participants and SWAT control group participants – TEXT ONLY PARTICIPANTS* (for use at 12-months only)

Thank you for completing the final STADIA questionnaire. As a thank you for your help, here is your £20 voucher code: [insert voucher code]

Voucher text – SWAT intervention group participants – TEXT ONLY PARTICIPANTS* (for use at both 6- and 12-months)

Thank you for completing the STADIA questionnaire. As a thank you for your help, here is your £10 voucher code: [insert voucher code]

* Additional texts to be used only for participants who do not provide an email address. For these participants, allocated to the DAWBA group at randomisation, DAWBA login details and instructions will need to be provided by the researcher by telephone.

Note that the text only option is available only where there is a single primary participant (e.g., parent/carer of young people aged <11, OR parent/carer of young person 11-15 where the young person is not completing questionnaires, OR young person aged 16 – 17 and NO parent/carer participation).

^Note that this option applies to young people aged 11-15 (taking part with their parent/carer as the primary participant), and to young people aged 16-17 (taking part with their parent/carer as the secondary participant – where the email address for the young person and parent/carer is the same)
