LIST OF TABLES, MAPS AND FIGURES

TABLES:

Table 3.1: Geographical distribution of non-monumental graves in the South-Eastern Aegean.

Table 3.2: Geographical distribution of monumental graves in the South-Eastern Aegean.

Table 3.3: Chronological distribution of non-monumental graves in the South-Eastern Aegean.

Table 3.4: Chronological distribution of monumental graves in the South-Eastern Aegean.

Table 4.1: Inhumation and cremation burials along with variations in the South-Eastern Aegean (late 4th – 1st c. BC).

Table 4.2: Inhumation and cremation burials along with variations in the peraea (3rd – 1st c. BC).

MAPS:

Map 1: Satellite map of the South-Eastern Aegean retrieved from the Google Earth application with added tags for the regions discussed in the thesis (© Google Maps).

Map 2: The islands of the Aegean. Map retrieved from the official website of the municipality of Sikinos and modified by the author. The islands of the Dodecanese are coloured in blue.

Map 3: Map of Kastellorizo indicating the geographical position of the island in relation to the rest of the islands of the Dodecanese and mainland Asia Minor (created by the author with the help of Ilias Diakantonis).

Map 4: The Aegean Islands and their peraeas (detail of map in Funke 1999, fig. 1, p. 59, retrieved from Constantakopoulou 2007, fig. 13).

Map 5: Satellite map of the South-Eastern Aegean retrieved from the Google Earth application with added tags of the modern regions corresponding to the Rhodian peraea (© Google Maps).

Map 6: Topographic map of the city of Rhodes and the urban cemeteries (Fraser 1977). Coloured areas added by the author indicate the division between the three topographic sectors. Red: western necropolis, light blue: central necropolis, yellow: eastern necropolis.

Map 7: Topographic map of the city of Rhodes and the urban cemeteries (Fraser 1977). The space occupied by the Rhodini cemetery is highlighted in light green and the monumental tombs have been added on the map by the author. Red: Tomb of the Ptolemies, green: *peribolos* with carved niches, blue: Corinthian Tomb.

Map 8: Map of Kastellorizo (© David John 2009) with main sites discussed in the text.

Map 9: Map of Chalki with main sites discussed in the text. Map retrieved from the official website of the municipality of Chalki and modified by the author.

Map 10: Map of Telos with main sites discussed in the text. Map retrieved from Google Maps with some additions by the author.

Map 11: Map of Nisyros with main sites discussed in the text. Map retrieved from Google Maps with some additions by the author.

Map 12: Relief map of the main peraea sites discussed in the text. Map retrieved from Wikimedia Commons with additions by the author (©Ronnlund/20-08-2012).

FIGURES:

Figure 2.1: Topographical representation of the modern site of Karakonero with additions by the author (Zervoudaki 1973, 516, fig. 8).

Figure 2.2 a-b: Peribolos shaped burial 'temple' in the Karakonero region (a) and detail of its decoration (b).

Figure 2.3: Panoramic view of the façade of the Grave of the Ptolemies at Rhodini. (author's own).

Figure 2.4: Façade of the Corinthian grave at Rhodini (author's own).

Figure 2.5: Peribolos grave with carved niches at Rhodini (author's own).

Fig. 2.6: View of Chora from the South. The Katsalos cemetery is on a hill at the land end of the promontory, whereas the Kylindra children's cemetery runs along the slope under the town. Picture retrieved from the official website of the Astypalaia excavations (http://www.ucl.ac.uk/archaeology/research/projects/astypalaia/)

Figure 2.7: View of the ancient cemetery of Amos from the west (author's own).

Figure 2.8: Part of the funerary road at Ancient Amos. The elongated red arrow at the bottom of the picture denotes the direction of the road (east-west), which is not entirely accessible on foot, while the enhanced picture at the centre shows details of a funerary monument found in situ (author's own).

Figure 2.9: Foundations of a peribolos grave on the south of the city walls at Sedir Adası (author's own).

Figure 2.10: The position of the Aghios Milianos rotunda in the Lindian bay (left) in reference to the acropolis and the modern settlement (right). Photograph taken from the middle of the modern pathway leading to the tomb (author's own).

Figure 3.1: Early Hellenistic cemetery with clusters of rock-cut pit graves and cists in the central Rhodian necropolis (Patsiada 2013, 52, fig. 12)

Figure 3.2: Late Hellenistic cist tomb with gabled roof from the Rhodian necropolis (Patsiada 2013, 52, fig. 13)

Figure 3.3a: Cist tomb XLI, Nisyros (Jacopi 1932-1933, 530, fig. 64).

Figure 3.3b: Drawing of the burial in cist tomb XLI with isodomic wall decoration at Nisyros (Jacopi 1932-1933, 530, fig. 65).

Figure 3.4: Typical rock-lined shaft tomb at Kastellorizo (Ashton 1995, 104).

Figure 3.5: Plan of the vast funerary complex at the Karageorgiou plot. Sectors A, B, Γ, Δ, E, Z and H are made of clusters of periboloi with rock-cut graves. The monumental tomb with klinai is in Sector ΣΤ (Patsiada 2013, 61, fig. 26 with additions by the author).

Figure 3.6: Foundations of a large peribolos grave in the cemetery of ancient Amos (author's own).

Figure 3.7a: Plan of the hypogea with elevated pedestals at Aghios Ioannis (Livadiotti-Rocco 1996, fig. 81).

Figure 3.7b: Hypogeum II in Aghios Ioannis with loculi above semi-cylindrical arches (author's own).

Figure 3.8: The underground burial gallery at the Kena site in Telos (Kaninia 2014, fig. 2).

Figure 3.9: Rock-cut overground funerary complex with a narrow antechamber in the cemetery of ancient Amos.

Figure 3.10a: Plan of Hypogeum A at Petridi Street (Michalaki-Kollia 1992, 598, fig. 5 with additions by the author).

Figure 3.10b: The burial chamber of Hypogeum A in Petridi Street (Michalaki-Kollia 1992, pl. 341a).

Figure 3.11: Panoramic view of the Karageorgiou chamber from the north (Patsiada 1999, pl. 42a).

Figure 3.12: Plan of the burial chamber of the Tomb of the Caryatids (Papachristodoulou 1988b, 541, fig. 6 with additions by the author).

Figure 3.13a: Restored elevation of the façade of Charmyleion. Kos, Pyli (Schazmann 1934, 117, fig. 5).

Figure 3.13b: The underground vaulted burial chamber of Charmyleion with rock-cut loculi. Kos, Pyli (author's own).

Figure 3.14: The rotunda at Aghios Milianos near Lindos in the beginning of the 1970s (© Municipality of Lindos).

Figure 3.15: Panoramic view of Kountouri plot from the north (Patsiada 1999).

Figure 4.1: Funerary trenches at Zaranis plot (Patsiada 2013, 57, fig. 20)

Figure 4.2: Detail of a funerary trench filled with cinerary urns (hydriai) at Zaranis plot (Patsiada 2013, 57, fig. 21).

Figure 4.3: Artistic representation of the funerary chamber of the tomb of the Caryatids (Ridgeway 1990, 178-9, ill. 26).

Figure 4.4: Torso of a Caryatid from the Tomb of the Caryatids showing in detail the chiton of the statue (Papachristodoulou 1994, fig. 1008).

Figure 4.5: Plan of the burial chamber with klinai at the Theodosiou plot (Filimonos 1993a, 598, fig. 5 with additions by the author).

Figure 4.6a: The arrangement of funerary beds in the burial chamber of the Theodosiou plot (Patsiada 2013, 80, fig. 54).

Figure 4.6b: Detail of the decoration of the eastern funerary kline of the Theodosiou plot (Patsiada 1999, pl. 37b).

Figure 4.7: The arrangement of the funerary klinai at the Karageorgiou plot. View from the antechamber (Patsiada 1999, pl. 42b).

Figure 4.8a: The arrangement of the funerary beds in the Tomb of the Caryatids (Patsiada 2013, fig. 94).

Figure 4.8b: Detail of the decoration of a funerary kline from the Tomb of the Caryatids (Winter 1982, fig. 22).

Figure 4.9a: Façade of the tomb of Archokrates, Lindos (author's own).

Figure 4.9b: Panoramic photo of the tomb of Archokrates showing the bad state of preservation (©Alvydas Sasnauskas).

Figure 4.10: Plans of the tomb of Archokrates (Patsiada 2013, fig. 68-70; originally published in Dyggve and Poulsen 1960 pl. XIIIC)

Figure 4.11: Peribolos with restored cylindrical altars at Karakonero, Rhodes. View from the road leading to Kallithea (author's own).

Figure 4.12: Cylindrical altars at Peros plot, Excavation area A (Berges 1996, pl. 63.2)

Figure 4.13: Remnants of a peribolos grave and monument bases alongside the road leading to the ancient city of Knidos (author's own).

Figure 4.14: Cylindrical altars from Rhodes (left) and Kos (right). Berges 1996, pl. 36.1 (Rhodes), 36.3 (Kos).

Figure 5.1: Funerary monument from the Rhodian necropolis (unknown provenance), Archaeological Museum of Rhodes. 2nd c BC (Lauter-Bufe 1983, pl. 39).

Figure 5.2a: Panoramic view of part of the cemetery at Kylindra, Astypalaia
(© N. Kontrarou – Rassia for Eleutherotypia).

Figure 5.2b: Archaeologists and workers during the excavation of infant echyntrismoi at Kylindra, Astypalaia (© N. Kontrarou – Rassia for Eleutherotypia).

Figure 5.3: Plan of Karika-Papachristodoulou plot with detail of the room with the cylindrical altars (Papachristodoulou 1987a, fig. 6).
